F

CDS ACCOUNT OPENING

QF1: Can I open a new CDS account via Bursa Anywhere?

Bursa Depository allows Malaysian individuals who meet the following criteria to submit an application to open a new CDS account via Bursa Anywhere.

- Malaysians with MyKad
- Age 18 and above (by birth date)
- A person who has not been adjudicated a bankrupt under the Bankruptcy Act 1967 and remains an undischarged bankrupt at the time of application
- A person who is not a "mentally disordered person" within the meaning of the Mental Disorders Ordinance 1952

Non-Malaysians and Permanent Residents of Malaysia can go through their preferred ADA (Authorised Depository Agent, also known as "Broker") to open an account.

QF2: Can a corporate open a CDS account via Bursa Anywhere?

Currently, Bursa Anywhere is only catered for individuals with direct CDS accounts. Hence, a corporation needs to go through its preferred ADA to submit an application to open an account.

QF3: Can I open a new CDS account via Bursa Anywhere if I'm already a current CDS account holder?

Yes, you could open a subsequent CDS account via Bursa Anywhere. However, one cannot open multiple CDS accounts with the same ADA.

QF4: Is my application for account opening immediate upon submission via Bursa Anywhere?

All account opening applications will be processed by your preferred ADAs within two market days.

QF5: How would I know if the ADA has approved or rejected my application for a CDS Account Opening?

You will receive notification via the Bursa Anywhere inbox and registered email on the status of the account opening application.

QF6: If my preferred ADA rejected my application for CDS Account Opening, can I reapply via another preferred ADA?

Yes, you may reapply via another preferred ADA.

QF7: Can I select multiple preferred ADAs during my application for CDS Account Opening?

Bursa Anywhere provides users with the option to include a second preferred ADA during the account opening application via Bursa Anywhere.

Please note that:

- Even though a second preferred ADA is selected during the account opening application via Bursa Anywhere, if the account opening application is rejected by the primary preferred ADA, the request will not be routed to the second preferred ADA. However, Users may reapply to another ADA. If an application is rejected, the account opening fee payment will be refunded to user's bank account via FPX online system.
- If your request for account opening expired due to no response by your primary preferred ADA within two market days, your application will be automatically routed to the second preferred ADA. You will be notified via the Bursa Anywhere inbox and your registered email on the said matter. The account opening fee will not be refunded when your application is routed to the second preferred ADA, it will only be refunded if your second preferred ADA rejects the application.

QF8: How do I sign-off my application for CDS Account Opening via Bursa Anywhere?

Bursa Anywhere has adopted digital signature for CDS Account Opening. Hence, your application will be tied to a digital signature upon a successful application. Please note that each digital signature is only valid for one occasion of a successful account opening application.

QF9: Do I need to pay for the digital signature?

The cost for digital signature will be borne by Bursa Malaysia Depository.

QF10: How do I submit the supporting documents required for the CDS Account Opening?

The applicant is required to submit two (2) supporting documents for CDS Account Opening via Bursa Anywhere, i.e. a copy of MyKad and bank statement/passbook. For MyKad, the applicant is required to take an image of the front and rear side of the MyKad for submission. Whilst for the bank statement/passbook, the applicant can either take an image or upload a pdf copy.

G

MONTHLY CDS STATEMENT

QG1: If I do not have any hardcopies of CDS statements with the six (6) digit password phrase, can I still register for Bursa Anywhere?

Yes, you can, however you need to complete the following 2 processes:

- i. Firstly, register your email address with the ADA (Authorised Depository Agent, also known as “Brokers”) where you are maintaining your CDS account. Should you have more than one CDS account, you only need to register one of your CDS accounts with the ADA where the account is maintained.
- ii. Upon registration of your email address in CDS system by the ADA, you can download Bursa Anywhere Mobile App and register for a Bursa Anywhere account.

QG2: Will I continue to receive CDS statements in hardcopy once I have registered for Bursa Anywhere?

Upon registering for Bursa Anywhere, you are deemed as registered for eStatement with Bursa Malaysia Depository. Hence, you will be receiving all your CDS statement of accounts electronically, via the Bursa Anywhere Mobile App and registered email. Note that the monthly eStatement is password protected and is downloadable.

QG3: How do I obtain the password to access to the monthly eStatement?

The guideline to obtain the password is contained in the email with the monthly eStatement attached.

QG4: Will I continue to receive CDS notices in hardcopy once I have registered for Bursa Anywhere?

As you are deemed registered for eStatement upon successful registration for a Bursa Anywhere account, you will cease to receive all CDS notices in hardcopy. You will however, receive the notices via the email registered with Bursa Malaysia Depository.

QG5: Can I continue to receive my CDS statement via email once I have de-registered/terminated my access to Bursa Anywhere?

A depositor is still deemed as an eStatement subscriber should the depositor de-register/terminate his/her access to Bursa Anywhere. Post termination/de-registration of Bursa Anywhere, the depositor will receive his/her CDS notifications via the email address registered with Bursa Malaysia Depository.

H

TRANSFER OF SECURITIES

QH1: Can I perform transfer of securities via Bursa Anywhere?

Yes, transfer of securities can be performed through Bursa Anywhere but it is limited to No Change in Beneficial Owner (NCBO) type of transfer transactions. Meaning the depositor can only transfer his/her own securities from one direct CDS account to another direct CDS Account. A depositor cannot perform transfer of securities from a direct CDS account into a nominees CDS account through Bursa Anywhere.

The CDS account from which the securities will be transferred from, must be in "Active" status meanwhile the CDS account to which the securities will be transferred to, must be in either an "Active" or "Inactive" status.

The request for transfer of securities can only be performed via Bursa Anywhere from 9.00 am to 4.15 pm on a business day from Monday to Friday.

QH3: Will the request for transfer of securities through Bursa Anywhere result in immediate movement of securities from transferor's CDS account to transferee's CDS account?

All requests for transfer of securities through Bursa Anywhere will require the ADA's (Authorised Depository Agent, also known as "Broker") approval before the securities can be transferred to transferee's CDS account.

QH4: How do I pay for the transaction fee if I perform transfer of securities via Bursa Anywhere?

Once you have confirmed the request for transfer of securities in Bursa Anywhere, you will be guided to the FPX system which will lead to your online bank account to make the payment for the transfer fee.

QH5: How do I know my request for transfer of securities through Bursa Anywhere have been accepted and submitted to my ADA?

Once the transfer fee payment through FPX is successful, you will receive an inbox notification informing you of the successful submission of your request for transfer of securities. An email confirmation will be sent to your registered email address on the status of your transfer request.

Subsequently, by clicking on the securities under the Account or Stock View, you will see the quantity of the securities that you submitted for transfer has been earmarked.

Note: Earmarked status refers to quantity of securities that have been committed specifically for transfer purposes.

QH6: What should I do if I don't receive any inbox or email confirmation on my request for transfer of securities after I successfully paid my transfer fee through the FPX?

If you do not receive a confirmation notification from Bursa Anywhere after you have successfully submitted the transfer request, please immediately contact the Bursa Anywhere Service Desk at 03-2034 7090 for assistance.

QH7: How do I know if my request for transfer of securities have been approved or rejected by the ADA?

By end of the transaction day, the securities balance under the Account or Stock View in your Bursa Anywhere account will be updated, and you will receive an email and inbox notification informing you that your request for transfer of securities has been processed by the ADA. If any of the transfer requests were rejected by the ADA, the reason for rejection will also be provided in the email notification.

QH8: What happens if the ADA rejects or cancels my request to transfer of securities?

If the request to transfer of securities through Bursa Anywhere is unsuccessful due to ADA cancellation/rejection of the transfer request, the securities will remain in your CDS account and the quantity of securities will be released from earmarked status.

The transfer transaction fee for cancelled or rejected request will be refunded through the FPX's online system. The refund process will take place on the next market day by Bursa Malaysia Depository.
